

CV Jürg Gerber

May 2007

Jürg Gerber is currently Chief Operating Officer at the World Business Council for Sustainable Development (WBCSD) in Geneva.

He is seconded from Alcan Inc, from Corporate and External Affairs for two years.

Mr. Gerber has a broad experience in the aluminium industry, over 27 years in various line and staff functions, on corporate and plant levels. He is strongly involved in the development of the sustainability priorities at Alcan and in the Aluminium Sector.
